The Sheriff's Office is currently accepting applications for their 30th semi-annual Citizens Police Academy, which starts September 22, 2009. The weekly class is intended to teach the public about the variety of functions the Sheriff's Office maintains. Class instruction ranges from investigating crimes to the use of the Taser, and from our Bike Team to our Wildland Fire Team, plus much more! There will be time for hands-on with the firearm simulator and a tour of the jail. This is a free class, open to the public. To date, there are over 400 alumni members of the Sheriff's Office Citizens Police Academy. If you are interested in attending the 2009 spring class please stop by our office at 215 Rice Street or call Sally Weese.
