THE SPIRIT OF GIVING IS CONTAGIOUS **Annual Christmas delivery today**

Mesa County, Colorado—The Street Crimes Unit and the Traffic Unit teamed up with the Mesa County Communication Officers Association (local PIO group) to provide a special Christmas to three local families. All three families were adopted through the Grand Junction Housing Authority, a partnership that has been an annual success for everyone.

The media is invited to the gift delivery, which will be at the Grand Junction Housing Authority located at: 1011 N 10th Street, behind Furniture Row. Delivery will take place at 3pm today.

Because the family adoption is anonymous, the three families will not be present.
